Campus Club Outing To Flying Cloud Airport

The Wings of The North+

The Wings of the North Air Museum is located on Flying Cloud Airport in Eden Prairie and currently houses five beautifully restored World War Two aircraft. Three of them are Oshkosh award winning aircraft. They are a P-51D Mustang named Sierra Sue II that saw action in Europe during World War II, an AT-6D Texan, and a Boeing N2S-1 Stearman that was used for training at the MSP Naval Air Station during World War II and was flown by future President George HW Bush. All the planes have been beautifully restored. The museum also features aircraft engines, an ejection seat, a WWII Jeep built by Ford, aviation art, and many other displays.

Lefse making with Amy

Ingredients:

10 pounds potatoes, peeled
1/2 cup butter
1/3 cup heavy cream
1 tablespoon salt
1 tablespoon white sugar
2 1/2 cups all-purpose flour

Directions:

1. Cover potatoes with water and cook until tender. Run hot potatoes through a potato ricer. Place into a large bowl. Beat butter, cream, salt, and sugar into the hot riced potatoes. Let cool to room temperature.
2. Stir flour into the potato mixture. Pull off pieces of the dough and form into walnut size balls. Lightly flour a pastry cloth and roll out lefse balls to 1/8 inch thickness.
3. Cook on a hot (400 degree F/200 C) griddle until bubbles form and each side has browned. Place on a damp towel to cool slightly and then cover with damp towel until ready to serve.

February Birthday's

In astrology, those born February 1 - 19 are Water Bearers of Aquarius. Water Bearers are deep-thinking intellectuals, unafraid of exploring outlandish ideas. Their strong sense of community makes them good friends and valuable team members. Those born from February 19 - 28 are the slippery Fish of Pisces. Selfless Pisces are very wise and empathetic, making them always willing to help others. These deep emotions also make Pisces talented artists and good friends.
